Avg. Contact time:	8 hrs/month
Avg. Research time:	8 hrs/month
Full time duration:	12 months
Part-time duration:	15 months

Cost of Course

\$1000

Option 1

Pay now and receive a 10% discount

Option 2

Pay in 2 six monthly payments

Online Delivery

Online delivery provides a very flexible way to study. It means that you can learn at anytime, any place and Internet based classroom means you still have contact with your trainers.

Upon enrolment you will be provided with course materials for each unit and you will be able to work through them in your own time. In addition you will receive the following support:

- Regular contact with trainer via email
- Scheduled Internet based classroom session
- Contact via phone, email and Skype
- Assessment of each unit upon completion

The course has been designed and developed to be studied online to enable people currently employed to participate and for others living in non-local areas to remove the cost of travel and accommodation associated with regular classroom tuition

The course materials will be made available via post and through access to a learning management system, where you will also be able to submit assignment work for assessment by your trainer.

Course structure

Total number of units = 5 core units

Core Units

Unit code	Unit name	Description
SIRXCLM001A	Organise and maintain work areas	This unit describes the performance outcomes, skills and knowledge required to maintain and organise work areas in a retail environment. It involves applying personal hygiene practices and the organised use of equipment and chemicals to keep the workplace tidy, clean and safe. This unit requires the team member to demonstrate and apply knowledge of workplace policies, legislative requirements and manufacturer instructions in order to utilise tools, chemicals and equipment for the safe and efficient cleaning, organisation and maintenance of work areas.
SIRXCOM001A	Communicate in the workplace	This unit describes the performance outcomes, skills and knowledge required for effective communication with customers and other staff in the workplace. It involves establishing contact with customers, processing information, working in a team, maintaining personal presentation, following routine instructions, and reading and interpreting retail documents.
SIRXICT001A	Operate retail technology	This unit describes the performance outcomes, skills and knowledge required to operate a variety of retail equipment. It involves identifying the correct equipment required for a given task, maintaining retail equipment, applying keyboard skills and operating data entry.
SIRXIND001A	Work effectively in a retail environment	This unit describes the performance outcomes, skills and knowledge required to work effectively in a retail environment. It involves acting responsibly and in a non-discriminatory manner, developing retail industry knowledge, including industrial award or agreement relevant to the job role, maintaining personal hygiene and presentation, and prioritising tasks.
SIRXOHS001A	Apply safe working practices	This unit encompasses the National Occupational Health and Safety Commission (NOHSC) guidelines for occupational health and safety. It describes the performance outcomes, skills and knowledge required to maintain a safe work environment for staff, customers and others. It involves observing basic safety and emergency procedures.
